

REPAIR CODE "A"

The sidewalk is cracked or an extruding object (i.e. water stop box) within the sidewalk exists with a vertical edge of more than one inch high.

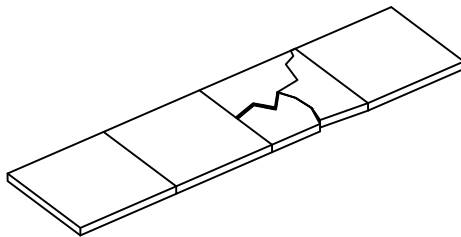

REPAIR CODE "B"

The sidewalk has raised more than two inches in an eight to ten (8' - 10') area from the normal line of grade of the sidewalk.

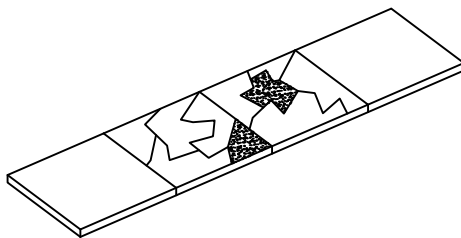

REPAIR CODE "C"

The sidewalk is depressed more than two inches in an eight to ten (8' - 10') area from the normal line of grade of the sidewalk.

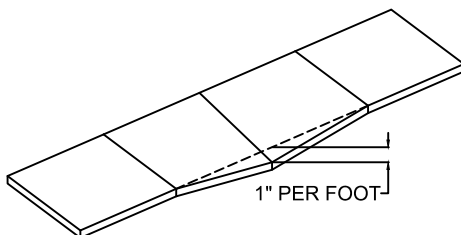

REPAIR CODE "D"

The sidewalk has cracked into more than three pieces per 4' X 4' square and sections are distorted or distressed with a vertical height difference of one-half inch or more or a horizontal separation of two inches or more.

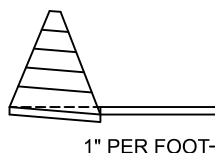

REPAIR CODE "E"

The sidewalk has cracked and part of the sidewalk is missing, forming holes.

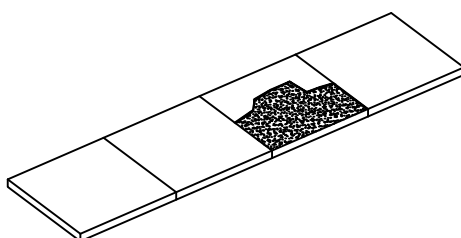

CROSS SLOPE

REPAIR CODE "F"

The sidewalk has settled or for some other reason is sloped and tilted more than one inch per foot (toward either side).

REPAIR CODE "G"

The sidewalk has spalled and the depth of any point of the spalled area is 1" or greater.
